It is our great pleasure to inform you that the Department of Computer Science and Engineering, Eastern University is going to organize an online **Informatics Olympiad** for the students of HSC/Diploma/Equivalent - 2020/2021/2022. The aim of the Informatics Olympiad is to create the opportunity for our young talented students in the country to shine and show their ICT talents and to create a national awareness for the development of ICT skills.

Attractive prize money will be given to the top 10 students of the competition.

We humbly request you to extend your whole hearted cooperation to make the event successful. We shall be also grateful if you kindly inform your students to participate in the competition and kindly to place the poster of the event in your notice board or any suitable place as appropriate.

Your kind cooperation will be highly appreciated by the university authority in this regard.
