Name: \_\_\_\_\_ Roll: \_\_\_\_\_ Shift: \_\_\_\_\_

**Chapter-06: Tolerance of others' Opinions****1. Fill in the blanks:**

- We have to express our opinion with \_\_\_\_\_.
- Sometimes the opinion of own self is not \_\_\_\_\_ too.
- We will be tolerant to the \_\_\_\_\_ of others.
- We will not \_\_\_\_\_ our opinions on others.
- We will show \_\_\_\_\_ to the opinion of all.

**Ans:** a) tolerance b) acceptable c) opinions d) impose e) importance.

**2. Answer the following questions in short:****a) What does tolerance mean?**

**Ans:** Willingness to accept feelings, habits or beliefs that are different from your own is called tolerance.

**b) Why should you listen to everyone's opinion?**

**Ans:** Everyone has opinions. Every opinion has logic. So we should listen to everyone's opinion.

**c) What is a debate?**

**Ans:** A discussion between or among people in which they express different opinions about something is called debate.

**d) What is democracy?**

**Ans:** Democracy is following the opinion of the majority. There are three stages to this process:

Expressing an opinion → listen → decide.

**Chapter-06**  
**Tolerance of others' Opinions**

**1. Competency based questions:**

**a. How would you decide where to go on a class outing? What is your opinion?**

**Ans:** We shall take a decision together to go on a class outing by following the below mentioned ways:

- i) We shall express our opinions one by one.
- ii) We shall listen to others' opinion carefully.
- iii) We shall respect each other's opinion.
- iv) We shall take the opinion given by the majority.

Thus, by following these ways, we can take the correct decision to go on a class outing.

**b) What problems may arise if there is no tolerance among us? Explain in 5 sentences.**

**Ans:** If there is no tolerance among us, following problems may arise:

- i) Absence of tolerance creates disagreement or quarrel.
- ii) It may create a difficulty in taking the right decision.
- iii) We may face difficulty to work properly.
- iv) It may also create problem to have a good relation with others.
- v) Without it making a proper society is so much uncertain.
