NEW BLOWN

-An Int'l Standard School-

Honourable Guardians

As-Salaam-Alaikum. This is to inform you that, in the prevalent circumstances of Pandemic Corona, we are dedicated to performing the sacred duty of delivering the lantern of quality education at every doorstep of all our revered guardians by continuing the uninterrupted flow of the educational activities of our beloved students. You are aware of the fact that, from the sense of performing that aforesaid sacred responsibility towards our affectionate students, since the declaration of the general holiday by the government amid the threat of the outbreak of Corona as a pandemic, we have been uploading lesson plan, subject-specific handouts, and other necessary educative materials quite relentlessly and untiringly on our school's website, Facebook page and other apps for social networking. Furthermore, since that time, we have also been continuing our online educational activities quite regularly by conducting virtual classes through Zoom apps on the different important subjects of Class one to ten. In addition to that, our teachers are also maintaining active contact and strong communication with the students of all classes and their parents. Besides, we are also facilitating the educational activities of our beloved pupils by preparing different quality educative contents and subject-wise tutorials through our school's YouTube Channel "**New Blown An Int'l Standard School**" which we consider to be a ground-breaking decision. We also realize that, for keeping pace with such activities, all of our teachers, students, and guardians have to go the extra mile. We also earnestly believe that the stronger rapport our students build up with their teachers, the more likely their chances will be getting maximum benefits out of this bonding.

Dear Guardians

At present, in this pandemic-stricken situation, social distancing is the only remedy for this disease. In such a crisis moment, for strong protection from the contagion of Corona, New Blown has introduced an Online Payment System so that the guardians can pay the monthly tuition fees and make any other payments of their children very easily and within a very short time through their mobiles sitting at home. We have already sent a message in your mobiles advising you to pay the monthly dues of your children through our online system and we are expecting your well-thought cooperation in this regard. Furthermore, a video clip named '**Online Payment Tutorial**' regarding the procedures of paying due tuition using our online payment system has also been uploaded to our website, YouTube Channel, and Facebook page and if requires, take assistance from the class teachers in this regard. Last but not the least, warm greetings to all of you of upcoming Eid-ul-Adha. We wish you all to be hale and hearty. Stay safe!

N.B: Contact at these numbers for any sorts of help regarding online classes and overall assistance:

01. S.S Academy Road Campus: 01926252464/ 01865040024
02. Dattapara Campus: 01865040003/ 01865040036
03. College Road campus: 01916034592/ 01865040037

Thanking you

Principal
